Sir,

**Sub: Inspection of hatcheries for Renewal of Registration – reg.**

**Ref: Meeting Conducted with the representatives of AISHA**

As agreed during the meeting with the representatives of AISHA which was held on 29.11.2019 at CAA office, the CAA Inspection Team has undertaken the inspection of hatcheries on 16<sup>th</sup> December, 2019 with prior intimation. During inspection, it was noticed that most of the hatcheries have not complied with the decisions taken in the meeting. Hence, the inspection programme was terminated and it was decided to fix the date for inspection only after receiving confirmation of compliance from the concerned hatchery operators. Hence, it is requested that all the hatcheries shall comply with the decisions taken in the meeting at the earliest and inform to CAA directly under intimation to AISHA so as to fix the date of Inspection for renewal of registration. The hatcheries shall confirm their compliance before 15<sup>th</sup> January, 2020.
